EDUCATION & OUTREACH PROGRAMS

≡ MENU

Think back to when you were in school. What is your fondest memory? Was it a field trip to attend a concert or theater performance; was it playing a part in a class play, singing in the choir, playing an instrument or having your work of art exhibited at school? Memories of arts experiences are often the fondest and most vivid memories of our school days. It is the mission of The Smith Center's Education and Outreach Department to build similar life-long memories by offering high-quality arts experiences for students, teachers, and the community.
